BOOK SYNOPSIS

A companion to A Manual of Acupuncture, there are 384 durable point reference and study cards covering all 391 of the 14 channel and extra (miscellaneous) points. Each card measures 4" x 6", and most are devoted to a single point. This second edition of the point cards offers a new terra cotta storage case, two-color cards, the addition of pinyin accents, and updated point locations and location notes to match the latest edition of A Manual of Acupuncture.
