BOOK SYNOPSIS

"Captain Blackheart steers clear of romantic entanglements that could tie him to land. He shouldn't have any trouble keeping his hands off the gently-bred lady he's commissioned to abduct—except his cargo turns out to be feisty and passionate! Clara Halton thought the worst loss she could suffer was to be stripped of her family, stricken with consumption, and left to die alone. Then she meets Blackheart. Their attraction is ruinous...and irresistible. When he delivers her like so much plunder, his mission is over - but hers has just begun. She'll force him to acknowledge their connection, even if she must storm his ship to do it!"--
